

Retail Fund Closures

17 November 2023

We regularly review the funds we offer, and we've decided to close the following Life Funds on 17 November 2023.

- Prudential M&G Corporate Bond (Inc)
- Prudential M&G Dividend (Inc)
- Prudential M&G Global High Yield Bond (Inc)
- Prudential M&G Property Portfolio (Inc)

We're closing funds where the fund is too small for us to continue to offer it, or where we have other similar funds available.

When we close a fund, we offer our selected replacement fund. We aim to keep the ongoing charges the same or lower but in this case that has not been possible.

If you're considering choosing your own replacement fund, you may want to speak with your financial adviser.

If you don't have one, you can visit **unbiased.co.uk** where you'll be able to find advisers in your own area.

Our selected replacement fund has higher Fund Costs and Charges

Replacement fund
Prudential Managed Distribution S2
Objective: The investment strategy of the fund is to deliver capital growth and produce a regular income over the longer term by investing mainly in sterling denominated equities, bonds and property via collective investment schemes.

Closing fund	Replacement fund	
Prudential M&G Dividend S2 (Inc)	Prudential Managed Distribution S2	
Objective: The investment strategy of the fund is to purchase units in the M&G Dividend Fund – the underlying fund. Underlying Fund Objective: The fund has three aims which are to provide an annual yield higher than that of the FTSE All-Share Index, to provide an income stream that increases every year and provide a higher total return (the combination of capital growth and income), net of the Ongoing Charge Figure, than that of the FTSE All-Share Index over any five-year period. At least 70% of the fund is invested in equity securities and equity- related securities of companies across any sector and market capitalisation, that are incorporated, domiciled, listed or do most of their business in the United Kingdom. The fund may also invest in other transferable securities, including the shares of non-UK companies, cash and near cash directly or via collective investment schemes	Objective: The investment strategy of the fund is to deliver capital growth and produce a regular income over the longer term by investing mainly in sterling denominated equities, bonds and property via collective investment schemes.	
(including funds managed by M&G). Derivatives may be used for efficient portfolio management and hedging.

Prudential M&G Global High Yield Bond S2 (Inc)	Prudential Managed Distribution S2
 Objective: The investment strategy of the fund is to purchase units in the M&G Global High Yield Bond Fund – the underlying fund. Underlying Fund Objective: The fund aims to provide a higher total return (the combination of capital growth and income), net of the Ongoing Charge Figure, than that of the ICE BofAML Global High Yield Index (GBP Hedged) over any five-year period. At least 80% of the fund is invested, directly or indirectly through derivatives, in below investment grade corporate debt securities, These securities can be issued by companies from anywhere in the world, including Emerging Markets. Other investments may include: Asset-Backed Securities, and other transferable securities, government bonds, cash, and near cash, directly or via collective investment schemes (including funds managed by M&G). There are no credit quality restrictions applicable to the fund's investments. The fund aims to hedge any nonsterling assets back to sterling. Derivatives may be used for investment purposes, efficient portfolio management and hedging. 	Objective: The investment strategy of the fund is to deliver capital growth and produce a regular income over the longer term by investing mainly in sterling denominated equities, bonds and property via collective investment schemes.
