

Retail Fund Closures

11 September 2020

We regularly review the funds we offer, and we've decided to close the following Series 3 (S3) Life funds on 11 September 2020.

- **Prudential BNY Mellon Multi-Asset Balanced Life Fund**

We're closing funds where the fund is too small for us to continue to offer it, or where we have other similar funds available.

When we close a fund we offer our selected replacement fund, with the most similar investment objective. The replacement funds all have lower charges than the funds we're closing.

Our risk ratings are based on our expectation of future volatility (the chance of short-term fluctuations up and down in the value of a fund). They don't take into account other types of investment risks you may face such as the effects of inflation. We rate funds on a scale of 1-6 with 1 being the lowest risk rating and 6 being the highest. We regularly review our risk ratings and we may change them in the future.
