Key Features of the Prudence Distribution
Bond Additional Investments

Please read this document along with your personal illustration (if you have one) before you decide to make additional investments to this plan. It’s important you understand how the Prudence Distribution Bond Additional Investments works, the benefits and associated risks.
The Financial Conduct Authority is a financial services regulator. It requires us, Prudential, to give you this important information to help you decide whether our Prudence Distribution Bond Additional Investments is right for you. You should read this document carefully so that you understand what you are buying, then keep it safe for future reference.
About the Prudence Distribution Bond Additional Investments

The Prudence Distribution Bond is an investment Bond which gives the potential for growth whilst providing a regular income.

If you still have questions about Prudence Distribution Bond Additional Investment after reading this booklet, please call us on 0345 640 1000. If you have a Financial Adviser, please contact them in the first instance.

Its aims
What this plan is designed to do
To give you:

• A regular income over the longer term.

• A competitive total return over the medium and longer term – the total return is made up of your regular income and any growth on your initial and any additional payments.

Your commitment
What we ask you to do
• You invest an additional payment to your existing bond.

Risks
What you need to be aware of

• The value of your plan can go down as well as up and may even fall below the amount you invested – what you get back is not guaranteed.

• If withdrawals from the bond are more than any growth achieved, the value of your bond will fall.

• Tax rules may change.

• If you choose to cancel your top-up (also referred to as an additional investment) you may not get all your money back.

• If the total charges taken from your plan are more than any overall growth achieved, your plan will fall in value, possibly to even less than you have invested.

• There may be a delay in the buying, switching or selling of any investment. You will be told if this applies. We explain this in the section “Where is my payment invested?”. 
Other documents you should consider reading

Questions & Answers

What is the Prudence Distribution Bond Additional Investments?
It is a single premium life assurance policy.
Your additional payment buys units in our Distribution Fund.
The Distribution Fund invests in a mix of different assets to produce an income. Twice a year, this income is transferred to the Distribution Cash Fund. These transfers take place on 17 February and 17 August.
The Distribution Cash Fund is set up to pay out the income that the Distribution Fund produces. You cannot invest directly in the Distribution Cash Fund.

Investment Limits – The minimum top up amount is £1,000. There is no maximum limit.

How to pay – You may pay by cheque or by a transfer made from your bank.
If the cheque is not drawn on your personal account, we may ask you to prove that the money belongs to you.

What might I get back?
You can cash in your bond at any time. Your investment is designed to be held for the medium to long-term.
The amount you’ll receive on cashing in your bond will depend on:
• how much you’ve paid in,
• the length of time your money has been invested,
• whether or not you’ve made any withdrawals,
• tax we pay on the fund,
• investment performance over the time you’ve invested, and
• our charges.
What you get back will depend on how the assets that make up the Distribution Fund perform. The value of these assets, and any income from them, can go down as well as up.
Your Personal Illustration shows how much you could receive based on example growth rates.

How flexible is Prudence Distribution Bond Additional Investments?
Your bond has no set term. You invest for as long as you wish.
You can cash in your bond at any time. The bond is designed to be held for the medium to long-term.
You may top-up your bond at any time.
You can get further information on topping up your bond by calling us on 0345 640 1000.
You can choose to take a regular income now or at any time in the future.
HM Revenue & Customs may not tax these regular payments as income in the same way that dividends or interest are treated.
If you don’t choose to take a regular income now, the income that builds up in the Distribution Cash Fund will be re-invested for you. This means that your share of the income will buy you more units in the Distribution Fund.
You can withdraw money from your bond at any time. The withdrawal must be at least £50 and at least £500 must remain invested in your bond. You can get further details in the section “Can I take money out?”. 
Can I take money out?
You can take a regular income from your bond at any time. The level of income you can take can be either:

• the amount of income that has built up in the Distribution Cash Fund (i.e. the full distribution), or
• an amount of income selected by you (regular withdrawals).

There is no restriction on the maximum withdrawal, but please remember if withdrawals are more than any growth received the value of your bond will fall. Your regular income will be normally paid direct to your chosen bank account at your chosen interval. It can either be paid every month, every three months or every six months.

The amount held in the Distribution Cash Fund may not always be enough to meet the amount of regular income you want. When this happens, the shortfall is met by cancelling some of the units that you hold in our Distribution Fund.

You can also make a withdrawal from your bond provided you withdraw at least £50 and at least £500 remains invested.

If you take a regular income or a withdrawal, we will take the income or withdrawal as a proportionate amount from your initial payment and your top up.

Any withdrawal will reduce the full value of your bond.

What happens if I move overseas?
If you subsequently move abroad and are no longer a resident of the UK this will impact on your ability to make any further investment into this plan in the future. Prudential is not able to accept new monies from customers who are not physically resident in the UK.

Where is my payment invested?
Your payment is invested in the Distribution Fund. Any growth achieved by the Distribution Fund is shown by an increase in the price of your units. Any fall in the value of your investment in the Distribution Fund is shown by a reduction in the price of your units.

The price of your units change if more money is going into or out of the fund.

The assets held within the Distribution Fund can include:

• Stocks and shares of companies, both in the UK and abroad.
• Fixed interest securities. These are bonds issued by government local authorities and large companies that pay a set rate of interest. They generally are more secure than stocks and shares, although they offer less potential for growth.
• Commercial property.
• Cash.

Allocation Rate – The more you invest, the higher the allocation rate you will receive on your investment. For additional investments, the rate will be based on the total amount of the payments that remain invested in your plan plus the amount of the additional investment.

How to work out how much would be invested on your behalf:

• We multiply the amount you are investing by the Allocation Rate percentage.
• We then deduct the 5% Initial Charge from this amount.

The Allocation Rate you’ll receive is shown in the table opposite and depends on the version of the bond you originally invested in.

There may be exceptional circumstances that delay the buying, switching and selling of units in any fund. We would not expect these delays to be longer than six months for units that invest in property or land, and one month for units that invest in other asset types. However, we cannot guarantee that delays will never be longer. If a delay will apply to you, we’ll let you know.
The tables below show the allocation rates:

Table 1 shows the allocation rates for bonds sold by a Financial Adviser. Table 2 shows allocation rates for bonds sold by Prudential directly – these can be identified by the bond number which is prefixed by LD.

* IMPORTANT NOTE: Allocation rates for cumulative investments between £20,000 and £20,999 changed with effect from 20 May 1996. For investments made from 1 January 1995 – 19 May 1996, investments from £16,000 – £20,999 received an allocation rate of 101.75%, and investments from £21,000 – £29,999 received an allocation rate of 102.25%. The allocation rate for any additional amounts received on or after 20 May 1996 is determined by reference to the rates in the table above.
What are charges?
We will deduct some of your additional payment to meet our costs, such as:

• administration,
• investment management, or
• marketing.

The charges are as follows:

From your additional payment
Initial Charge – When you top up your bond, we deduct an Initial Charge of 5% from the amount before it is invested for you. We will also make this charge on any future top ups you make.

Each year from the fund
Annual Management Charge – We deduct an Annual Management Charge (the amount we take to cover our annual fees and expenses) of 1% from your fund. This charge is already included in the price of the units that your top up payment buys.

In addition to our Product Charges, there may be some additional costs which may impact the overall performance of the fund. These costs include trading, dealing costs and property expenses.

What happens to my bond if I die?
On death, we’ll pay out 101% of the value of your investment in the Distribution Fund and Distribution Cash Fund.

If you took out the bond on your life only, upon your death your bond will end.

If you took out the bond on the lives of two people, at the start you chose:

• for your bond to end when one of the two people covered dies, or
• for your bond to end only when both people covered by the bond have died.

A top up to your bond will not alter the original selection you chose.

What about tax?
This section gives a general summary based on our understanding of current taxation, legislation and HM Revenue and Customs Practice. All of these may change without notice. The impact of taxation and any tax relief depends on individual circumstances.

We set the bond up as up to 10 identical policies, each of which you can cash in or assign (transfer as legally required to a new owner) separately. This can help you take money from your bond in a tax efficient way. Any additional investment you make will be divided equally between the separate identical policies.

Corporation tax
We’ll pay tax on the funds you invest in. This tax is not reclaimable.

Capital gains tax
We’ll pay tax on the capital gains in our funds.
Income tax
You can currently withdraw up to 5% each year of your investment for up to 20 years without any immediate tax liability. This allowance rolls over to the following year if it’s not used. However there may be income tax to pay when:
- your bond ends as a result of your death,
- you cash in all or part of your bond,
- you take more income from the bond than your accumulated 5% tax deferred allowance, or
- you assign (transfer legal ownership of) the bond for money or something worth money.

Gains from your plan may mean that you lose some or all of your entitlement to personal allowances and certain tax credits. For more details about tax and how it affects you, please speak to your Financial Adviser. Further information is also available in our “A guide to tax on your UK investment bond” leaflet, which you can request by calling 0345 640 1000 or visiting www.pru.co.uk/tax

Inheritance tax
Inheritance tax may be payable if you still have the plan when you die.

Special tax considerations are given to plans written under trust. Please ask your Financial Adviser for more information.

The information in this booklet is based on our understanding of current legislation ad HM Revenue & Customs practice. All of these are liable to change without notice. The impact of taxation and any tax relief depends on individual circumstances.

Can I change my mind?
When your application has been accepted, we’ll send you a Cancellation Notice. If you wish to use your right to cancel your top up, you should complete and return the Cancellation Notice or write to us at:

Prudential
Lancing
BN15 8GB

You have a right to cancel within 30 days of receiving the Cancellation Notice.

If you decide to cancel and the value of your additional payment has fallen, you may not get all your money back. The amount you’ll get back will be the value of your additional payment less the proportionate amount of any decline in the value of your units. For cancellations within the 30 day cancellation period only, where a policy is held in joint names, we will accept cancellation by any one of the policyholders, whether acting alone or jointly on behalf of all policyholders.

If you decide to cancel your investment at any time after the 30 day cancellation period has ended, you may not get all your money back. What you get back will depend on the performance of the investments and our charges.

How will I know how my bond is doing?
Each year we’ll send you a statement to show how your bond is doing.

For an up-to-date value, you can call us on 0345 640 1000.
Other information

Client category
We classify you as a ‘retail client’ under Financial Conduct Authority (FCA) rules. This means you’ll receive the highest level of protection for complaints and compensation and receive information in a straightforward way.

Compensation
If we get into financial difficulties which may affect our ability to pay your claim, you may be eligible to receive compensation under the Financial Services Compensation Scheme (FSCS).

The FSCS is an independent body set up by Government to provide compensation for people where their authorised financial services provider gets into financial difficulties and becomes unable, or unlikely to be able, to pay claims against it. This circumstance is widely referred to as being ‘in default’.

It is important for you to be aware that you may not always be able to make a claim under the FSCS, and there are also limitations in the amount of compensation you may receive.

Any compensation available will depend on your eligibility, the type of financial product or service involved, the investment funds selected (if applicable) and the circumstances of the claim.

You can find out more information on the FSCS and examples of limits in the scope of FSCS cover for your plan at www.pru.co.uk/about_us/fscs, or you can call us.

Information is also available from the Financial Services Compensation Scheme.

Policy Provisions
The details of the legally binding contract between you and Prudential are contained in the Policy Provisions (also referred to as Terms and Conditions).

The Policy Provisions are available on request and were issued to you when you first took out your plan.

Conflict of Interest
We want to make sure that we uphold our reputation for conducting business with integrity. If we become aware that our interests may conflict with yours we will take all reasonable steps to manage it in an appropriate manner.

We have drawn up a policy to deal with any conflicts of interest. If you would like to know the full details of our Conflict of Interest Policy, please contact our Customer Service Team on the contact details on the back page.

Law
The law of England and Wales applies to this contract.

You can find full details of your contract with us in the Policy Provisions.

For plans in joint ownership, on the death of one owner, their half-share in the plan will immediately and automatically pass to the surviving owner – unless the plan is written under trust or there has been a change in ownership since the plan was issued e.g. by assignment or trust arrangement.
Our regulators
We are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.
